Collaboration

Wanting to spend a different morning?

Join the morning cork activities that we have prepared for June and July weekends at "les Gavarres", the only time of year when the cork harvesting can be seen.

We propose you a trip from the forest to the table, where you will discover the thrilling world of cork: from the harvesters harvesting the cork oak to the cork stopper, a key element in the best wines of the world. Live a unique experience: attending the cork harvest in Les Gavarres protected natural area. The wisdom and the knowledge of harvesters is an important part of our cultural heritage.

Even more, we offer you a theme breakfast, a cultural guided visit and a DO Empordà wine tasting.

Saturdays and sundays from June 18th to July 23th of 2022. 9:30 a.m. to 1:30 p.m.
